

## **Media | Press Request**

Each year, STANY receives numerous requests by members of the media to attend the International Reception and the Annual Conference & Dinner. There are a ***limited number of press presses available***, and ***all press requests are handled prior to the event***. We are not able to handle any media requests on site. Therefore, ***no press passes are handed out on site; there are no exceptions***.

Press Passes are granted to photographers and writers on specific assignments for major financial media outlets and publications as well as for our Media Partners\*.

No video cameras or recording devices are allowed, unless specific permission is gained prior to the event(s).

Finally, those in the media who attend our events are asked to be respectful of our guests. If someone does not want his or her photo to be taken, or does not wish to be interviewed, please respect that request. If your media outlet requires releases, it will be your responsibility to obtain them.

All requests for press passes to the International Reception and the Annual Conference & Dinner must be submitted 7 days prior to the event and directed to:
